PREFACE.

THE Reverend Charles Buck was a Dissenting minister of South Britain, who died a few years since; a man of considerable erudition, of an inquisitive and discriminating mind, and of fervent piety. His most elaborate work was his Theological Dictionary, which has passed through several editions, and is still held in high and just esteem. Besides this he published several volumes of Miscellanies, all of which have a considerable degree of merit, and have had a pretty extensive circulation. But of all his works, that which is here offered to the public, and which forms a part of his Miscellanies, blends the useful with the pleasant, in the greatest degree. "Anecdotes, Religious, Moral and Entertaining, alphabetically arranged and interspersed with a variety of useful observations," I hesitate not to say, that I know of no work, which more happily unites instruction with entertainment. It requires no effort of the mind to be understood, and can weary no one by a long demand of attention to a particular subject. It cannot be read without interest, and it is, in every part, calculated to leave an impression on the mind favourable to virtue, piety or benevolence. It instructs by example. It can be taken up at a leisure moment, and laid down at pleasure, without leaving a subject unfinished. All who read serious books at all, I am ready to suppose, would like to have in their possession, such a book as this. It is a book of amuseiv PREFACE.

ment for the scholar, and of profitable instruction to those who read but little. The character given of it when first published, in the Evangelical Review, was as follows. "This work is "well calculated for young persons, and may prove in many "cases, a very acceptable present to them, as it conveys much "instruction, mingled with entertainment. It will also serve "for a pleasing companion to the traveller in the chaise or the "stage coach. In short, it affords a copious fund of rational "amusement for a leisure hour. We have no doubt but it "will obtain, as it certainly merits, an extensive circula-"tion."
