

Rec^d. Sir

but a leave or two in great hurry, I was at New London Monday and I can find nothing that the Hon^{ble} Comm^{rs} has done for me But ten Pounds since I first went up to onagoa, and that has all as salary for half year service at Montserrat. Timber for my house is got thro' your good Influence for I am thankful and I hope ever shall be, both to god and man - I have many Hands to Dig both Pines and Siller Diggers, and the more I care to meet here this Day by the order of the Government to reconcile matters as I understand - David went to Lyme last Saturday and he is not come back - I want to begin our Journey as soon as possible

We have been very sick in
my family but are now better
tho' fainter, - With sincere
Service I subscribe your worth
left Servant
