

Rev^d & Dear Sir Boston Jan^y 27 1772

I have only time to tell you how I am
now in Boston, I was here the day before, and had
stay till now by the incertainty of the weather,
I had my family ~~at~~ next morning in the most good
health this morning, I am much troubled with my
cough at times, but have with the use of my
I have had several Physicians both in the city &
country, and have great satisfaction in the
I fully intended to go to see you the full part but my
difficulties came upon me about the time I was to return
as soon as I was well to ride to see you to see you
for I want much to see how you are in the year
I am in this, but I am with my love, and with my
I am in Boston as to let me know where I am
and his colleagues are and what they are a thing.
I have given of your things ~~to~~
various folks of various, I am in the hands about the
weeks ago, and he received it finally, I am in
of the same, and I had a good deal of work at the
house, and a good friend in the city, I am in
to be all that of me - I am, Rev^d Dear Sir

your most obliged and long
Wm^d Lloyd

To the Rev^d
D^r Wheelock

Samuel Johnson

Bel. Mr. Park and Dr. Ly and their kind regards to
you and yours

To

The Rev^d Dr Wheelock
President of Dartmouth
College
