 2 Corinth 5: 17

Therefore if any man be in
 Christ he is a new Creature: &c

Regeneration is a Doctrine
 much surpris'd by many, but
 it is a Doctrine of the Bible, and
 therefore it is a substantial
 Doctrine, it is a spiritual
 Doctrine, and it is not to be
 understood but by spiritual
 understanding. I believe gene-
 rally own'd by those, who believe

the Bible to be the word of god,
that hee must be good some how
before we are fit to go to Heaven,
and this is good Reasoning, for if
we believe Heaven to be a good Place
we must be good, if it be a Holy
place, we must be Holy, if it
be a pure Place, we must be
pure, if it be spiritual, we
must be spiritual, or else we can't
Enjoy Heaven, yea if god be
Holy, we must be holy in order
to serve him here and in the world
to come, or in other words, to En-
joy him in this world and in
the world to come —
we are ready to conclude, that

a poor beggar, in his filthy,
ragged garments, is not fit
to go into the Kings Palace,
and to serve him there, and
we should not ^{like} a Swine, in his
filth to Swell in our Houses;
So an unholy Man is no more
fit to Enter into Heaven, the
Habitation of God, —

And therefore we must be holy,
and God has found out a way
for us to become holy, and
it is by being in Christ —
Now if any man be in Christ
he is a New Creature, old
things are passed away,

and behold all things are
become new —

In further speaking upon
these words, I shall Endeavour
to show by the Help of God —

1 What it is to be ⁱⁿ Christ —

2 Such are new Creatures

3 To such all old things are
done away and all things
are become a new —

1 Then what it is to be in
Christ, to be in \times is to be
united to him by a living

Faith, in other words,
to believe and receive It
as he is offered in the Gospel
to be the only salutary savi-
our, to rely upon him
for what he has done.
to ^{be} in Christ, is to have the
Image of It re-illustrated in
us, and to have his Spirit
in us, yea to be in Christ
is to have Christ dwelling
in us, and we in him.

2 They that are in Christ
Jesus are new Creatures

they are created a new
in Christ Jesus, they don't
only have names but
have new significations.
