Madam I have to beg of you  
that you get me a singing book, I think it  
was printed at about 1740, I was told  
I beg children are much inclin'd to singing  
and I would encourage them in time, and  
I built and repair'd the house in many times  
or other said by my brother's hand to the  
of the printed at Berwick Landing.

Yours &c
